UNAPOLOGETICALLY ANERICAN COMEDY TOUR

MAKE AMERICA LAUGH AGAIN! FREE SPEECH AT FULL THROTTLE!

Greetings, Americans! Ready to feel great again about being American while enjoying some smack talk about third-world bungholes like California?! Then welcome to the Unapologetically American Comedy Tour, an intervention for Americans desperate to detox from woke.

- Live vicariously through three comedians who cleverly tongue lash the insanity infecting our country: cancel culture, social media Nazis, and the endless lunacy most comedians won't voice!
- Prepare yourself. No cry closets! No safe words! You'll be served outrageous appetizers of sarcasm and full-course meals of red-meat comedy! Race, gender, sexuality, political ideologies, and more are all comedic fair game!

Three comedians who serve an outrageous meal of crushed wokeism and freshly squeezed cream puffs!

You'll gut-laugh as these talented comics squeeze the stuffing out of cancel-culture cream puffs! They roast men, women, those who identify as tea pots, and every race, religion, and creed. "Guilty" whites, "entitled" blacks, and everyone along the color spectrum are equally ribbed!

UNAPOLOGETICALLY AMERICAN COMEDY TOUR

Kevin Jackson

Kevin has performed for audiences of thousands delivering his razor-sharp political humor with a smooth chaser of sarcasm.

His comedy has been described as the lovechild of Dave Chappelle and Jerry Seinfeld.

Along with hosting his own Reparations Comedy Tour, Kevin Jackson is an awardwinning podcaster and speaker, a political commentator, best-selling author, comedian, movie producer, and CEO of <u>The Kevin Jackson Network</u>. He is also the founder of ARC In Action (Americans For Real Change).

Tim Wilkins

Tim is a 20-year stand-up comedian veteran, TV and movie personality, writer, and speaker.

Tim Wilkins has performed on hundreds of stages including the legendary Radio City Music Hall.

He has been regularly featured on the comedy channels of Sirius Radio since 2005. Tim has delivered his comedy to the masses performing with Bob Newhart, Dennis Miller, Louie Anderson, Kevin Nealon, the late Bob Saget, and many more.

Brad Stine

Brad Stine began his comedy career on A&E's Evening at the Improv and MTV's Half Hour Comedy Hour. He's described as "The Clean Denis Leary"! Newsweek heralds his "Conservative rat-a-tat delivery!". The New Yorker calls him a "Frantic conservative with echoes of Robin Williams, Sam Kinison, Bill Hicks, and George Carlin!"

Brad's comedy overflows with hilarious jabs at liberals, humanists, political correctness, and more. Brad's extreme material is facetious and satirical but it's completely void of curse words and sexual references because, in this way, he honors his Christian Faith.
